

March 15, 2018

Dear Fire and Emergency Service Friends

2018 will mark the 117th Annual Convention of the Cumberland Valley Volunteer Firemen's Association. The association consists of members from Pennsylvania, Maryland, Virginia, West Virginia, Delaware and includes active members from the State of New York as well as members from throughout the United States. The Community VFC-District 12, Fairplay, MD are our hosts for the 2018 convention. The dates for this great event will be from August 1st through August 4th, 2018.

Please help us celebrate this occasion by becoming a sponsor of our program booklet. With your help, we can make this convention one that everyone remembers for many years. Remember these are the women and men who voluntarily serve your community with pride and commitment each and every day of the year.

Please review the order form on the back of this letter and select the size of sponsorship you would like to have placed in our program book. Your sponsorship shows support for all the states represented by the CVVFA and its members.

We would prefer camera ready art work. You may e-mail your artwork to bobfire17@aol.com. We would prefer the copy to be in **PDF** format and title the file with your agency, business or fire department name. Please mention in the subject line e-mail that it is for the 2018 CVVFA program book.

The Officers and members of the Cumberland Valley Volunteer Firemen's Association will appreciate your generous support and cooperation in this project.

We would ask that your ad information along with your check and request form be returned to the address below **by the deadline of JUNE 30th, 2018**. Any ad copy received after that date may not get published.

On behalf of the CVVFA Publicity Committee, Officers and members, we would like to thank you for your continued support of the Fire and Emergency Services in your communities.

Respectfully yours,

Bob Romig, Past President
Five Points Fire Co.
Publicity Manager – CVVFA
